Research projects proposition for international projects submission calls

A/ ERASMUS

As part of the Erasmus + call for proposals, ENSH has submitted a project to put in place the best practices for quality assurance, relating to the action of the program called: Capacity Building with two Algerian partner institutions :

- Algerian National School of Agronomy (ENSA) Algiers.
- National School of Biotechnology Taoufik Khaznadar (ENSB) Constantine.

The European institutions as a member country are :

- Aleksandras Stulginskis University (ASU) LITHUANIA.
- Eastern Mediterranean University (EMU) TURKEY .

- Vytautas Magnus University (UVM) LITHUANIA.

B/PRIMA Research and Innovation Program

As part of the call for project proposals of the PRIMA partnership program of which the Algerian government is member, the school organized workshops on 21/02/2017 and 28/02/2017 to establish a consortium around an innovative project in the school sector in collaboration with:

- The National Agency of Hydraulic Resources (ANRH).
- the Algerian Space Agency (ASAL).
- The National Agronomic School of Algiers (ENSA).
- Saïd Dahlab University of Blida1.

Partnership Agreements

In the framework of scientific, technological and cultural exchanges between academic institutions with a view to pooling human and material resources, the school has concluded several partnership agreements during the month of January and February 2018:

- National Agency for Integrated Water Resources Management (AGIRE).
- The National Polytechnic School (ENP) Algiers.
- The National Higher School for Agronomic Sciences (ENSA) Algiers.
- The National Veterinary School (ENSV) Algiers.
- Akli Mohand University Oulhadj Bouira (UAMOB) Bouira.

Maghreb Week of University Health to promote "Washing hands and brushing teeth"

The School organized on Tuesday, February 18th , 2018, in collaboration with the local health department (DDS) of the wilaya of Blida a day of study and awa-

Conference animated by Dr. OUCHLI Feroudja

Innovation Marathon

As part of the FIE training program, the Innovation Marathon was organized on Saturday, February 10, 2018 at ENSA in collaboration with 6 Higher Schools: ENSH, ENSTP, ESI, ENSV, ENSSMAL, EHEC , the objective of this exercise is the realization of the process of creating a company in 600 minutes.
