### 1- International Conference on Large African Basins Hydrology

Under the high patronage of the ministries of Higher Education and Water Resources, the ENSH, in collaboration with UNESCO and the FRIEND program, organized the 3<sup>rd</sup> International Conference on Large African Basins Hydrology from 6<sup>th</sup> to 8<sup>th</sup> of May 2018 at the hotel EL RIADH Algiers .

The objective of this international meeting is to mobilize and guarantee water resources in a strategy of equitable sharing and governance guided by a sustainable development outlook. The opening ceremony was under the presence of the Minister Professor Tahar HADJAR who made an opening speech.

At the ceremony were present the representatives of UNESCO Mr. Chakib LARABI and MEDFIEND Mr. Gile MAHE.

### 2- Progress report of GRECPIMA of the ERANETMED program

As part of the GRANETMED program GRECPIMA, a coordination meeting was held on May 10<sup>th</sup>, 2018 at the ENSH with the participation of the three partners : the University of Poitiers (France), the ENSH (Algeria) and the University of Mugla (Turkey) whose objective focused on the progress of project implementation in the three countries.

### 3- Access competition to Higher Schools (2018 - 2019)

The ENSH organized on June 27<sup>th</sup>, 2018, the competition for access to the National Superior Schools for students in the 2<sup>nd</sup> year of the preparatory classes. The number of admissions for the competition was 225 Candidates.

### 4- Promotions

The defence for obtaining university habilitation of Dr. AMMARI Abdelhadi was done on the 11<sup>th</sup> of June, 2018 .

### 5- Partnership Agreements

In the context of scientific, technological and cultural exchanges between academic institutions, the school has concluded partnership agreements during the months of May and June 2018 with :

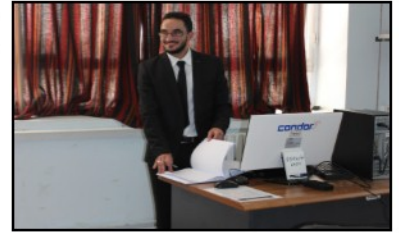

- The National School of Sea Sciences and Coastal Development (ENSSMAL).
- The Algerian Space Agency ASAL, an exploitation agreement of ALSAT-2 Images has been signed.

### 6- Meetings with the media

- On May 6<sup>th</sup>, 2018, Dr. DJOUDAR Dahbia , on the program « Scientific Doctors » ( channel 1).
- On May 13<sup>th</sup>, 2018, Pr MIHOUBI Mustapha Kamel, on the broadcast on the University Campus (TV UFC) on Water issues and prospects for the development of water resources management.
- On May 30<sup>th</sup>, 2018, Mr. BELAU Mounir, on the broadcast on the University Campus (TV UFC) on the experience of ENSH in entrepreneurial training (FIE-DZ).

### 7- Doctorate thesis defense

PhD student KHELFI Mohamed El Amine defended his doctoral thesis on May 24<sup>th</sup>, 2018, on the theme "Regionalization of the climate exhibitor in Central Algeria".

### 8- the 16<sup>th</sup> national university games

Under the high patronage of Minister of Higher Education, Pr. Tahar HADJAR, and Minister of Youth and Sport Mr. Mohamed HATAB, the school participated, in collaboration with the Universities Blida 1 and 2, in the organization of the 16<sup>th</sup> national university games that took place in Blida on June from 22<sup>nd</sup> to 29<sup>th</sup> , 2018.

### 9- Final Defense of the FIE-DZ Projects

As part of the Entrepreneurship Training Program (FIE\_DZ), the final defense was organized on Thursday, June 28<sup>th</sup> at the school , for the presentation of the four innovative projects selected for this year to designate the best project of the academic year 2017/2018. The projects are :

- 1 / General CHAC
- 2 / Hydro POWER
- 3 / Sewer-Energies
- 4 / Bioplas

The best project will be awarded at the Gratification ceremony on July 3<sup>rd</sup>, 2018.
