## Celebration of the International Women's Day

On the occasion of the International Women's Day, which coincides to March 8th of each year, the school celebrated this event by giving a friendly reception to honor the women workers as well retirees of the school.

## Promotions

The Defense for obtaining university habilitation of **Dr. zeroual Ayoub** was done on the 09<sup>th</sup> of April, 2019

## Maghreb Week of University Health "fight against tobacco and drugs in academia ""

On Sunday, March 03<sup>rd</sup>, 2019, the School in collaboration with the local health directorate (DDS) of the wilaya of Blida organized a day of sensitization and information on the dangers of tobacco and drugs for the benefit of the students of the school. The program of the day was rich in conferences, diffusion of video films and distribution of brochures which include different types of this scourge and statistics.

## Continuous training

As part of the continuous training activities, the ENSH has signed a training agreement with the ANBT for the realization of 09 training sessions for the benefit of its technical employees. On April, 02 sessions were organized namely :

- ◆ Use of remote sensing in dam erosion studies of dams.
- ◆ Renewable Energies Module 1: the hydroelectric energies.

## Project ERASMUS +

As part of the general assembly of the **ERASMUS +** cooperation project, a solemn start meeting took place on the 25<sup>th</sup> of March 2019 at ENSH, between the European partners and the Algerian partners.

-The Algerian institutions are: the National Higher School for Hydraulics (ENSH), the National Higher School of Agronomy (ENSTB), The National Higher School of Biotechnology (ENSA).

- The European partners are: Aleksandras Stulginskis University (Lithuania), University of Life Sciences (Estonia).
