Ceremony of the academic year beginning (2017-2018)

On the occasion of the solemn beginning of the academic year 2017 - 2018, the National Higher School of Hydraulics organized on September, 13th, 2017 a ceremony at the amphitheater B.

The ceremony was opened by the welcome speech of the Director Professor M. K. MIHOUBI to the whole community of the School and not forgetting the new students to whom he wished success in their studies.

Appointments at the responsible staff

On September, 20th and 27th, 2017, the director of the School appointed respectively Prof. Boualem SALAH as Head of Urban Hydraulic Department and Dr Abdelhadi AMMARI as Deputy Director of Graduate Studies and Diplomas, replacing Professor Omar KHODJET KESBA, in the presence of all the responsible staff.

Teachers' recruitments

As part of the strengthening of the teaching staff, the school recruited three senior lecturers, namely:

- Mr. SAIMI Ahmed : Senior Lecturer class B, in mechanics.
- Mr. ZEKRIFA D. Mohamed : Senior Lecturer class B, in computing.
- Mr. NACER Tarek : Senior Lecturer class B, in electronics.

The academic year 2017-2018 in figures

As part of the academic year beginning, the final registrations of the new students were made from 10th to 14th September, 2017. The number of students through the different cycles of studies existing at the school is as follows:

- Preparatory Class cycle
 - 1st year PC: 99
 - 2nd year CP: 91
- Second Cycle training
 - 1st year SC: 211
 - 2nd year SC: 80
 - 3rd year SC: 100
- Doctoral studies
 - 17 Doctorates LMD.
 - 34 Doctorates in ES -Sciences.

Teachers' participation to scientific events (September-October 2017)

- Mrs. Dahbia DJOUDAR

Theme : "Contributions of geostatistics to the validation of the PRASICHIM method in the study of the vulnerability of underground water".

Place : MINES Paris Tech- Geosciences Center, France
- Mr. Mohamed MEDDI

Theme : "Anthropic and climatic Impact on water resources Variability".
- Mrs. Salima BELLABAS

Theme : "Advanced training on the Hydro-agro climatological SWAT model".

Place : Colloque International Eau Société Climat 2017 Hammamet, Tunisia.

Mobility of doctoral students for internships abroad (October-November 2017)

- Mr. Ahmed BELMOKRE : from October, 1st to November, 29th 2017 at the Polytechnic University of Madrid (Spain)
- Mr. Abdelaaziz MERABTI : from September, 15th to November, 13th 2017 at the University of Lisbon (Portugal).
- Mr. Issam ZAIBEK : from October, 14th to November, 13th 2017 at the University of Toulouse (France).
- Mr. Samir YAHIAOUI: from October, 1st to November, 29th 2017 at the University of Poitier (France).

Theses defense of the ENSH students at the IAMBARI on 10/10/2017

- **MOGHRANI Siham**
Theme : " Assessing field spatial variability of soil hydraulic properties by combining a multiple dripper system, 2D Soil water flow numerical modeling and Time Domain Reflectometry (TDR)".
Supervisors : A. Coppola (Basilicata University, Italy) & G. Dragonetti (CIHEAM-IAMB, Italy)
- **BENDOUHENE Kenza**
Theme : 'Experimental study of water irrigation influence on soil parameters evolution and tomato crop'
Supervisors : M.K. Mihoubi (ENSH) & N.Lamaddalena (IHEAM-IAMB, Italy)

"Let's Begin" day of the HEC students' club

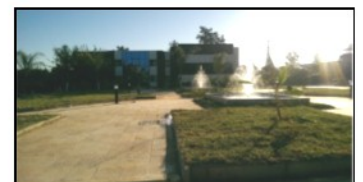

The HEC (Hydraulic Engineers' club) of the school organized a day of relaxation under the title "Let's Begin" in order to welcome the new students and introduce them to the

missions and objectives of the club.

The School exterior layout

In order to enhance the school's external environment and create a pleasant atmosphere, the school has undergone maintenance works, rehabilitation of the public lighting network and development of green

Commemoration of the ENSH creation

On October, 29th 1985, by decree no. 85.258, the National Higher School of Hydraulics was set up in place of the former Institute of Hydrotechnics and Improvement (IHB).
